Only one risk management credit is applied per policy year. Subject to discretion of OMIC, credit for a second event attended in the same policy year may be applied for the following policy year.

CONTINUING MEDICAL EDUCATION

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Medical Association of the State of Alabama through the joint providership of the Medical Foundation of Alabama and the Alabama Academy of Eye Physicians and Surgeons. The Medical Foundation of Alabama is accredited by the Medical Association of the State of Alabama to provide continuing medical education for physicians.

Designation Statement

The Medical Foundation of Alabama designates this live activity for a maximum of 13 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

- Review the causes and treatments for common eye diseases.
- Recognize the classic clinical features of eye tumors.
- Describe new surgical techniques for treating various parts of the eye.
- Discuss global efforts to eliminate avoidable blindness.
- Identify factors that decrease the probability of errors.
- Identify ways to ensure practice sustainability through use of appropriate documentation and coding.
